Laney College

Greetings Laney Community --

Laney College is committed to providing education and a safe environment for all students, regardless of their immigration status.

While there currently is a great deal of uncertainty and concern about U.S. government policies, Laney is reaffirming its commitment to treat all students with equality and respect.

In light of the recent news regarding DACA from President Trump, we're providing you with resources to help support our students and their families.

Please look out for more information on key events that will be taking place on campus!

The immediacy of our response to threats against undocumented students signals what will have to be our common concern, that the constitutional and civil rights of all people are defended. Please know that we are concerned for all threats to civil liberties during these unprecedented times. I urge you to get involved, take action, and care for each other.

"This is no time for complacency. This is a time for vigorous and positive action." - Dr. Martin Luther King Jr.

In community,

Gary Albury
