CALL TO ORDER AND ROLL CALL

REPORT OF CLOSED SESSION ACTIONS

APPROVAL OF AGENDA

COMMUNICATIONS FROM MEMBERS OF THE PUBLIC

This portion of the agenda provides an opportunity for members of the public to address the Board on matters not included on this agenda. A maximum of 15 minutes (3 minutes per individual maximum) will be provided for speakers under this agenda item. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Under the Brown Act, Trustees and District staff are not allowed to discuss and/or take formal action at today's meeting on items brought before them under this item. Trustees and District staff are only allowed to respond briefly. Persons submitting cards to address an item included on the agenda will be called upon at the time the agenda item is considered by the Board. Cards must be received prior to the Board's consideration of the item and honored in the order the cards are received by the recording secretary.

Any and all of the following items may be voted upon today at the discretion of the Board.

BOARD/DISTRICT COMMUNICATIONS

CHANCELLOR

1. Student Tour of Africa (Laney College)

President Johnson and Vice President McLean will make a presentation with regard to an upcoming Laney College student tour of Africa. This item is brought for information purposes only.

BOARD OF TRUSTEES

ACTION ITEMS (*Time Sensitive Items*)

2. Resolution 04/05-45, Establishing the Appropriations Limit Presenter: Vice Chancellor Smith

By law, the District is required to establish its appropriations limit and make available to the public the documentation used in determining the limit for Fiscal Year 2005-2006. Additionally, by law, the Board is required to establish its appropriation limit prior to the beginning of each new fiscal year. The Limit materials for 2005-2006 were submitted for the Board's review at the June 14, 2005 meeting. Such documentation meets the requirement to have the limit available for review at least 15 days prior to the Board's action to adopt the limitation.

Included with agenda materials is the District's appropriations limit and Resolution 04/05-45 for the Board's consideration and adoption in the amount of \$77,546,537.

3. Tentative Budget, 2005-2006 Presenter: Vice Chancellor Smith

Under provision of Education Code Section 85023(a) each community college district is required to file a tentative budget with the County Superintendent of Schools on or before July 1. Included in agenda materials is a copy of the 2005-2006 tentative budget for the Board of Trustees review. The tentative budget may be adjusted as revenue changes are known and before adoption of the final budget.

4. Consider Approval of Financial Advisory Services Agreement - Dale Scott & Company and The Pineapple Group LLC **Presenter: Vice Chancellor Smith**

The district will issue a series of bonds, including general obligation bonds, general obligation refunding bonds and limited obligation funds, and as such, seeks independent financial advisory services. Included in agenda information is a contract for such services with Dale Scott & Company, Inc., and The Pineapple Group, LLC. The service fee is per issuance, based on the size of the bond offer. The length of the contract is for five years, commencing June 29, 2005. The Chancellor recommends approval.

5. Approval of Contract with Hewlett-Packard Company to Conduct Assessment of District Information Technology **Presenter: Board Technology Committee Chair Handy**

HP would conduct an assessment of information technology personnel, processes and technology that affect the District's ability to stay operational and highlight any gaps through the use of best practice management principles. The objective is to identify any specific risks of potential unplanned downtime within District information technology service management areas, identifying strengths and areas for improvements. The assessment includes interviews with a representative sample of District IT staff in order to identify risks to the district's technology availability and business processes. Project would start on or about July 11, 2005 and conclude four to six weeks later. HP would then present the assessment report to pre-defined Peralta representatives at a mutually agreed upon venue. Contract price is \$29,940 + tax.

6. Consider Contract Addendum and Extension Between City of Oakland and Peralta Community College District **Presenter: Vice Chancellor Smith**

It is recommended that Trustees approve an addendum to the current contract between the Peralta Community College District and the City of Oakland with regard to PCCD offering educational courses and curriculum through its various programs to meet the public safety training needs of the City of Oakland, entered into on September 9, 2000, as follows: "G. When district exceeds maximum FTES Eligible. In the event the District exceeds its maximum FTES eligible for state apportionment, the District shall pay for the cost of instruction at the highest salary step based on the District's 60% salary schedule for part-time instructors. The total amount for resident student registration fees and student use fees of City enrolled students shall be deducted from the cost of instruction." Additionally, it is requested that the current contract be extended from December 31, 2005 to December 31, 2007. The Chancellor recommends approval.

7. Resolution 04/05-51. Accept Bid and Award Contract, Pool Mechanical Improvements and Upgrade, Laney College, Bid No. 04-05/16, California Commercial Pools, Inc. **Presenter: General Services Director Ikharo**

The project involves mechanical system renovations for the main competition pool and training pool at Laney College. It includes replacement of five pool heating units, two of which have burned out and three that are past their useful life, tile re-grouting, and installation of a wind screen. A bid opening was held on June 13, 2005. One bid was received, from California Commercial Pools, Inc., of Glendora, California, in the amount of \$250,000.

This resolution formally accepts the bid and authorizes the contract award to California Commercial Pools, Inc. for the Pool Mechanical Improvements and Upgrade project at Laney College. The Chancellor recommends approval.

8. Resolution 04/05-52. Accept Bid and Award Contract, Chlorine Generation System for Pool, Laney College, Bid No. 04-05/17, Severn Trent Water Purification, Inc. **Presenter: General Services Director Ikharo**

The project involves the provision, installation, start-up and training for a chlorine generation system at Laney College, including a chlorine solution storage system, chlorine and CO-2 feeders for both pools, and control systems for both pools. The chlorine system will replace the current bromine system that has been problematic and is more expensive to operate than a chlorine system.

A bid opening was held on June 13, 2005. One bid was received, from Severn Trent Water Purification, Inc., of Torrance, California, in the amount of \$120,000. This resolution formally accepts the bid and authorizes the contract award to Severn Trent Water Purification, Inc. for the Chlorine Generation System for Pool project at Laney College. The Chancellor recommends approval.

9. Reject Bid, College of Alameda ASTI Expansion Project, Bid No. 04-05/19 Presenter: General Services Director Ikharo

The project involves ground preparation, drainage and utility connections, and associated construction, for installation of seven 24' x 40' standard DSA classroom portables and one 36' x 40' classroom portable. Seven portables will be furnished by the Alameda Unified School District for the ASTI program. The other portable will house the College of Alameda One-Stop Center and will be purchased by the City of Alameda.

A bid opening was held on June 16, 2005. One bid was received, from NBC General Contractors, in the amount of \$498,000. Because the only bid received significantly exceeded the engineer's cost estimate, it is recommended that the bid be rejected and the project be re-bid. The Chancellor recommends approval.

10. Approval of Project Scope and Budget, Renovations to Buildings R and P, Merritt College Presenter: General Services Director Ikharo

Approval is requested to increase the scope and approve the project budget for the Renovations to Buildings R and P project at Merritt College. General Services Director Ikharo and the project architect will make a presentation to the Board. The revised estimated project budget is \$12,243,053. The Chancellor recommends approval.

11. Approval of Project Budget for District-Wide Roof Repair/Replacement Presenter: General Services Director Ikharo

Approval is requested to establish a budget for District-Wide Roof Repair/Replacement projects in the amount of \$600,000. The projects will involve repair and/or replacement of various roofs throughout the District. The projects address roofs that date from original building construction and are past their useful service life or are leaking. The budget will be funded from Measure E. The Chancellor recommends approval.

12. Ratification of Change Orders 14 Through 22, District Administrative Center Renovations, Hung Construction Presenter: General Services Director Ikharo

Approval for ratification is requested for Change Orders 14 through 22 to the contract with Hung Construction for the District Administrative Center Renovations project. These changes total \$51,420.38. Including these items, the change order total to date is \$69,182.15, which is 13.2% of the original contract amount (\$525,000.00). The change order requests were as a result of district office Finance and Human Resources requests, changes to an existing restroom facility and rerouting of an existing sewage line. The Chancellor recommends approval.

13. Request for Authorization to Submit Proposal to the Department of Labor Presenter: Assoc. Vice Chancellor Chan

It is recommended that Trustees approve submittal of a proposal to the Department of Labor in the amount of \$1.7 million. Laney College will develop and deliver advanced technology curriculum, instructional labs, and computer-based educational programming in three rapidly changing areas of Environmental Control Technology, develop field placements for advanced students, support job placement of student completers and create advanced training opportunities for incumbent workers in this field.
