## ACADEMIC DRESS

Academic dress stems from the Middle Ages, when scholars were also clerics and wore the costume of the monastic orders. The hood was originally a cowl attached to the gown and could be slipped over the head for warmth. The cap, originally round, later became a square mortar-board.

Today the cap is the same for all degrees, except that the tassels for Doctors are often gold. The gown varies for the respective degrees: the Bachelor's gown is worn closed and has long pointed sleeves; the Master's gown is worn open and the forearms protrude through slits in the elbows of the sleeves; and the Doctor's gown has sleeves which are full and bell-shaped and carry three horizontal bars; a velvet panel is draped around the neck and stitched down the front edges. The velvet panel and velvet sleeve bars of the Doctor's gown are either black or the same color as the velvet border of the hood.

The hood is lined with silk of the colors of the institution which granted the degree. Our faculty members have taken degrees at a wide variety of institutions. Some of the colors of the hoods, seen today will be the following:

Blue, two gold chevrons: University of California; Purple and gold: San Francisco State College; Red and White: California State College at Hayward; Blue: Yale; Light blue, white chevron: Columbia; Old gold: Iowa; Violet: New York; Cardinal, blue chevron: Pennsylvania; Carnelian, 2 white chevrons: Cornell; Purple, gold chevron: Northwestern; Navy, maize chevron: Michigan; Green, 2 white chevrons: Michigan State; Blue, 2 orange chevrons: Illinois.

The hood also varies for the respective degrees, the Doctor's being the longest and of fuller shape than the others. It is usually bordered with velvet, the color of which indicates the kind of degree: blue, philosophy; brown, fine arts or architecture; green, medicine; orange, engineering; pink, music; purple, law; scarlet, divinity or theology; white, arts or letters; yellow (golden), science or science in engineering; light blue, education.

##### **Let It Be**

When I find myself in times of trouble  
Mother Mary comes to me,  
Speaking words of wisdom — Let it be.  
And in my hour of darkness  
She is standing right in front of me,  
Speaking words of wisdom — Let it be.

Let it be, let it be, let it be, let it be,  
Whisper words of wisdom, let it be . . .

And when the broken hearted people  
Living in the world agree  
There will be an answer — Let it be.  
For though they may be parted  
There is still a chance that they will see.  
There will be an answer — Let it be.

Let it be, let it be, let it be, let it be,  
There will be an answer, let it be . . .

And when the night is cloudy  
There is still a light that shines on me  
Shine until tomorrow — Let it be.  
I wake up to the sound of music  
Mother Mary comes to me,  
Speaking words of wisdom — Let it be.

Let it be, let it be, let it be, let it be,  
There will be an answer, let it be.

## \*IX. Hymn of The People

### People Got To Be Free

All the world over, it's so easy to see,  
people ev'rywhere just wanna be free.  
Listen, please listen, that's the way it  
should be,  
peace in the valley, people got to be free.

You should see what a lovely, lovely world  
this would be,  
if everyone learned to live together.  
Seems to me, such an easy, easy thing it  
should be,  
Why can't you and me learn to love one  
another?

All the world over, it's so easy to see  
people ev'rywhere just wanna to be free.  
Can't understand, it's so simple to me,  
people ev'rywhere just got to be free.

If there's a man who is down and needs a  
helpin' hand,  
all it takes is you to understand and to  
pull him through.  
Seems to me, we got to solve it individually.  
And I'll do unto you what you do to me.

They'll be shoutin' from the mountain on out  
to the sea,  
no two ways about it, people have to be free.  
Ask me my opinion, my opinion will be,  
it's a nat'ral situation for a man to be free.

Oh what a feelin' just come over me,  
it's enough to move a mountain, make a blind  
man see.  
Ev'rybody's dancin', come on let's go see,  
there's peace in the valley, now we all can  
be free.

Look, see that train over there?  
Now that's the train of freedom, it's about  
to arrive any minute now.  
You know it's been long overdue,  
Look out 'cause it's comin' right on through.

("People Got To Be Free" by Cavaliere & Brigati)
