The California State University System requires a transfer student seeking a bachelor's degree to complete a forty-eight (48) unit breadth requirement, distributed among five academic areas. Thirty-nine of the units are lower-division courses and may be completed at Berkeley City College. The five breadth requirement areas and the courses that will satisfy the requirements of each area are listed below (see reverse side for more information).

- ⇒ Courses that are listed in more than one area will only receive credit for one course.
- ⇒ For more specific information, please see a counselor before enrolling in these courses.

**ASSOCIATE DEGREES for TRANSFER (ADT) to CSU Please see a Counselor for information about these degrees.**  
Effective Fall 2005, the upper division transfer applicant must have completed at least 60 transferable units with a minimum GPA of 2.0. Of these a minimum of 39 units of General Education/Breadth must be completed including Areas A1, A2, A3 and B4.  
**Certification:** The "Request for Certification" form is available and can be filed in the Admissions and Records Office. Official transcripts of any coursework completed outside Peralta District must be on file prior or accompany the certification request. Courses taken at other California Community Colleges will be placed in the CSU-GE/Breadth area identified by the offering college the term the course was taken. Courses taken at other colleges or universities (other than a CA Community College) may be used on CSU-GE as long as the courses are determined to meet CSU-GE course standards. Berkeley City College (Peralta Community College District) can certify either full certification (completion of all requirements in each subject-area) or partial certification (completion by subject-area) of the CSU-GE/Breadth. Students should request certification when a final transcript is requested to be sent to their choice of CSU, the term prior to transfer. Once certification is completed student records (transcript) will reflect the full or partial certification of CSU-GE/Breadth. **Revised 8/12/2022**
