

OTHER BACCALAUREATE DEGREE REQUIREMENTS AT THE UNIVERSITY OF CALIFORNIA

1. **Entry Level Writing Requirement (formerly Subject A)**

An English composition requirement that each student must satisfy to graduate may be met by one of the following methods:

- score of at least 3 on the College Board Advanced Placement Examination in English;
- score at least 680 on the SAT II Writing Subject Test;
- score of at least 5 on the International Baccalaureate Higher Level Examination in English Language;
- completing a UC transferable community college course of 3 semester units in English composition with "C" grade or better.

2. **American History and Institutions**

This requirement may be met by one of the following methods:

- satisfactory completion in high school of a one-year course in U.S. history, or a half-year course in both American government and U.S. history with grade of "C" or better, (except UCLA requires a "B" average and Santa Barbara requires a college-level course).
- completion of UC transferable college history/government course(s).

There are three parts to preparing for transfer to the University of California (UC):

- **Minimum Transfer Admissions Eligibility:** courses & grades that prepare a student to be minimally eligible for UC transfer.
- **Major Preparation:** courses that prepare a student to complete a major after transferring.
- **General Education (GE):** courses that satisfy the GE requirement for graduation from UC.

Students should place the highest priority on achieving minimum transfer eligibility and completing preparation courses for their choice of major. Major preparation gives students the best opportunity to begin upper-level courses after transfer. Some campuses require completion of certain major preparation requirements before transfer. Lack of such major prep may affect eligibility for the major, particularly if there are many applicants and a limited number of spaces. The general education or breadth requirements are designed to give University undergraduates a broad background in all major academic disciplines--natural sciences, physical sciences, social sciences, humanities, and fine arts.

Students should develop a Student Education Plan (SEP) that first gives attention to minimum admission eligibility and planning completion of major preparation, and then incorporates the most appropriate General Education (GE) pattern. Typically, completion of GE is **not** required for admission; it is required for graduation from UC. There are two options for completing GE. Students pursuing majors with few required major preparation courses should consider completing the Intersegmental General Education Transfer Curriculum, (IGETC). Students pursuing majors with a large number of preparatory courses should consider the UC campus specific GE pattern; each school and college at every UC campus has its own set of GE requirements. **Students should consult with a counselor for assistance in developing a SEP that plans for the major preparation and the most appropriate General Education pattern option.**

Minimum Transfer Admissions Eligibility

Students eligible to enter UC after high school graduation, (Subject, Scholarship, and Examination requirements for freshman were met), or students were identified by UC in the senior year as eligible under the Eligibility in the Local Context (ELC) Program are minimally eligible to transfer with a "C" (2.00) average in transferable coursework. Students who met the Scholarship Requirement but did not satisfy the Subject Requirement for UC eligibility as a freshman must take transferable college courses in the missing subjects, earning a "C" or better in each course, and have an overall "C" (2.00) average in all transferable coursework to be minimally eligible to transfer. Students who were not eligible for admission to UC after high school graduation because the Scholarship Requirement was not met must meet minimum eligibility requirements as follows:

1. Complete 60 semester units of UC transferable college credit with a grade point average of at least 2.4, **and**
2. Complete a course pattern requirement to include:
 - a. Two transferable college courses (3 semester units each) in English composition; **and**
 - b. One transferable college course (3 semester units) in Mathematical Concepts and Quantitative Reasoning; **and**
 - b. Four transferable college courses (3 semester units each) chosen from at least two of the following subject areas; the arts and humanities, the social and behavioral sciences, the physical and biological sciences.

| Legend: R = Remaining IP = In Progress C = Completed U = Units G = Grade | R | IP | C | U | G |
|--|---|----|---|---|---|
| 1. English 1A or 1AS and English 1B or 5 | | | | | |
| 2. Mathematics Concepts/ Quantitative Reasoning | | | | | |
| 3. Four courses from at least two of the following subject areas: Arts and Humanities Social and Behavioral Science Physical and Biological Science | | | | | |

+ or ++ or +++ or ^ Students will receive credit for one course only.

* Courses that have one or more of the following limitations:

- A limit on the total of units that will be accepted.
- A unit limit on this course when combined with one or more other courses.
- No credit when combined with other specified courses.

See your counselor for complete information on course/unit limitations or check www.assist.org: "UC Transferable Courses."

48's/49's:

UC transfer credit for selected topic courses (48's) and independent study courses (49's) is contingent upon an evaluation of the course by the receiving University of California institution after admission.

Language Credit in the Native Language:

Applicants whose native language is not English, and who have completed at least nine years of education in that language, will NOT receive lower-division language or literature credit for college or university courses in that language taken in the United States (including AP or IB Higher Level exam credit).
