minimum admission eligibility for upper division transfer applicant: (1) completion of at least 60 CSO transferable units with a minimum GPA of 2.0; (2) a minimum of 30 lower division units of General Education/Breadth within the total 60 CSU transferable units completed; and (3) completion of areas A1, A2, A3 and B4 with a grade of "C-" or better.

<u>Associate Degrees for Transfer (ADs-T) to CSU</u>: (1) a minimum of 39 units of General Education/Breadth, full completion of Areas A through F (see Area D note for exception); (2) a minimum GPA of 2.0; and (3) completion of at least 60 CSU transferable units. See a counselor for additional AD-T and transfer information.

<u>Area D</u>: <u>Continuing students</u> (entering before Fall 2021) that <u>maintain continuous enrollment</u> (or catalog rights) <u>are not required</u> to <u>complete Area F</u>. However, continuing students will need to complete 9 semester (or 12 quarter) units from Area D (at least two different disciplines) for full GE certification and transfer degrees. Please see a counselor for more information.

<u>Area F</u>: <u>New students entering Fall 2021 and thereafter will be required to complete this area for full GE certification and transfer degrees</u>. Please see a counselor for more information.

<u>CSU-GE Breadth Requirements Certification</u>: Laney College, Peralta Community College District, can certify either full certification (completion of all requirements in each subject-area) or partial certification (completion by subject-area) of the CSU General Education/Breadth. Official transcripts of any coursework completed outside Peralta District must be on file prior or accompany the certification request. Courses taken at other California Community Colleges will be placed in the CSU-GE Breadth area identified by the offering college the term the course was taken. Courses taken at other colleges/universities may be used if the course content meets the CSU-GE Breadth area standards.

Students should request certification when a final transcript is requested to be sent to their choice of CSU (campus where admission has been accepted), <u>the term prior to transfer</u>. The "Request for GE Certification" form is available from a counselor or the Admissions & Records Office and can be filed in the Admissions and Records Office. Once certification is completed student records (transcript) will reflect the full or partial CSU-GE Breadth Requirements completion.

Students are encouraged to see a counselor by appointment to discuss transfer and the CSU-GE Breadth option as part of an education plan. Counselors are available by appointment through the Counseling Office located in the Laney Tower, 3<sup>rd</sup> Floor or call (510) 464-3326. **These requirements are subject to change. See a counselor each semester to stay current.**
