1. Updates

Student services

Departments

GE outcomes approved by faculty senate on 3/18/08

GE outcomes went to College Council on 3/19/08. There wasn't a quorum.

No action was taken. I will have to go back to the next meeting.

2. Discuss logistics of assessing GE outcomes.

Some things to think about:

Coordination

Developing a common rubric

Assessing the same outcome with different assignments

Collecting copies of student work

Who evaluates their work? The instructor – turn in a copy of student work and their evaluation of it so it can be verified by others.

How to photocopy all of the work

3. Planning college-wide dialogue about assessment results, possible changes/improvements

Also dialogue about academic standards, student preparation, problems, and what can be done about it. This might be a good way to introduce/promote more effective teaching techniques.
