

PD Day Assessment MORNING Agenda
10.20.21

1. What are ILOs?
 - Institutional Learning Outcomes
 - Skills and abilities we want students to learn over their time at Laney
2. What are Laney's ILOs, and how do we assess them?
 - Find them here: <https://laney.edu/assessment/institutional-learning-outcomes-ilos-for-laney-college/>
 - Quick tour of the webpage
 - Common rubrics
 - **Surveys (based on common rubrics) the main focus for today**
 - Graduating student survey
3. Why do we care about ILOs?
 - Assessment of ILOs helps ensure our students are learning what we are trying to teach them
 - Allows us to improve curriculum and college processes over time
 - Necessary component of Accreditation
4. Using the surveys – the basics
 - Designed for any unit working directly with students – wherever students are on campus, they are learning!
 - Info on webpage
 - Info in Canvas (everything on webpage, plus examples) primarily designed for faculty
 - What's the best way to provide the survey links to classified professionals?
 - Share password in chat – for employees only
 - Send document to email group? Supervisors?
5. Using the surveys – details
 - <https://laney.edu/assessment/wp-content/uploads/sites/165/2021/10/Steps-to-Using-the-ILO-Surveys-includes-services.pdf>
 - Example survey – which ILO survey(s) would you like to see?
6. Questions
7. Common Rubrics and Canvas Shell (if there's time)
