

Landscape Crew - Fabrication Specialist

\$25 - \$35 Hour, Dependent on Experience/Capabilities

Full-Time Employee Position

Benefits Negotiable

Company-Owned Truck Available

Ian Moore Design, Inc. is looking for enthusiastic and responsible landscape construction crew member to specialize in outdoor carpentry, concrete and masonry work, and small scale metal fabrication.

Our project list for the remainder of 2017 and through 2018 includes detailing and construction for: fine decks, outdoor furnishings, small scale outbuildings, spa surrounds, joinery-quality gates and fencing, and associated paved spaces.

Our warehouse/shop space is located in Richmond, California and we serve Berkeley, North Oakland and Piedmont residential and commercial markets.

We are a small crew and view the design and construction process as a collaborative and team-oriented challenge. We look forward to bringing on a new team member in order expand our capabilities and manage our growing work backlog.
