Dr. Rudolph Besikof  
President  
Laney College  
900 Fallon Street  
Oakland, CA 94607

Dear Dr. Besikof:

Thank you for your timely submission of the Laney College Institutional Self Evaluation Report (ISER) and related materials. We know that the document represents many hours of work by people in the institution.

The peer review team will review these documents in preparation for its site visit and will, through meetings, interviews, and evaluation of evidence, develop a report to the College and the Accrediting Commission regarding the extent to which the College meets Eligibility Requirements, Accreditation Standards, and Commission policies. The ISER will inform and guide this activity.

The most important outcomes of the self-evaluation process are what the institution learns about itself and the steps it takes to improve teaching and learning. We hope that this effort will produce useful information for the continued development of educational quality and institutional effectiveness at Laney College.

Sincerely,

Stephanie Droker, Ed.D.  
President
