

College Council
Adopted Goals
2017-18 Academic Year

- **Goal#1** – Develop a system for information tracking both for the Council as a committee, and also for the campus community /external community.

- **Goal#2** – Work to ensure that the Council holds substantive meetings focused on moving forward action items.

- **Goal#3** – Develop and implement for the 2017-18 academic year, better onboarding (an education piece) for Committee members, also to include informing Council representatives on their responsibility for reporting back to constituent groups, ensuring that the College community is informed of decision making.

- **Goal#4** – Review College Council meeting structure and make decisions for adopting Brown Act standards for the Council.

- **Goal#5** – Evaluate the Committee structure and committee charges for both the Instructional Equipment and Library Materials (IELM) & the Enrollment Management Committee.
