

## For Laney College CTE students Boost your *math confidence* in Laney's first **MATH JAM**

*Feeling rusty on your basic math facts?*

*Has it been a few years since you've taken a math class?*

*Want to feel more confident in math at the start of term?*

- Enhance and improve your understanding of basic math facts:  
addition subtraction multiplication division
- Work with whole numbers, fractions and decimals.
- Practice lots of word problems and problems with measurement.

*The Math Jam is a safe, supportive workshop where you can get the help you need to start off the spring semester with confidence in math.*
