

Welcome Corinthian College Students

Laney College welcomes students from **Everest, Heald and Wyotech** campuses and promises to provide the support you need to continue your education. Laney College is known for its outstanding Career and Technical Education and works with **employers ready to hire our students** upon completion of their certificate or Associate in Arts or Science degree.

Laney's winning combination of industry-experienced faculty, state of the art facilities and programs that prepare students for 21st century jobs makes Laney a top choice for taking the first step toward a bright future. It's your choice - select from a variety of career and technical education programs listed below.

Career and Technical Education Programs	
Applied Graphic Design/Digital Imaging	Electricity/Electronics Technology
Architecture & Engineering	Environmental Control Technology (HVAC)
Advanced Manufacturing	Industrial Maintenance
Biomanufacturing	Labor Studies
Business Services	Legal Court Interpretation
Carpentry	Machine Technology
Computer Information Systems	Media Communications
Construction Management	Photography
Cosmetology	Welding Technology
Culinary Arts	Wood Technology

Some of these programs will allow you to continue the educational path you started or you may be interested in changing your field of study. Whatever you choose, Laney Counselors will help you understand your options in transferring credits and help you establish an educational plan. On our campus you will find other support services like Veterans Services, Health Services, EOPS, Disabled Students Programs and CalWORKS. *Come to our **Welcome Center** and learn about the numerous student clubs, sports and extra-curricular activities that you may want to join on campus.*
