1.lynda.com

2.web streaming

3.committee business re career fair

a) **slos, assessment**

- acknowledge usefulness and need
- spending as much time as possible, especially in workshops
- very hard to accomplish w/dearth of time

1. Lynda.com:

- not applicable to machine technology, etc., but to others like photo, garrets, media, & all really for Office apps
- types of participation from full campus to 1 single class
- maybe we could suggest some new apps to Lynda.com. not currently other roster
- reasonable for us to go ahead and appeal for entire campus?
- check w/VP of Instruction
- more cost effective if go campus- or district-wide
- perhaps can get Prof. Dev't involved with this
- will faculty actually take advantage of this resource?

resolved: leslie will set up a meeting w/VP
