

DISTANCE EDUCATION COMMITTEE

DISTANCE EDUCATION COMMITTEE CHARGE

- The Laney College Distance Education Committee will serve as the college's primary recommending body on matters related to distance education – specifically, focusing on supporting excellence in distance education teaching and learning; recommending policies, procedures, and resources to support effective, innovative, and equitable distance education at Laney College; and support consistent and continuous commitment to improving student learning and success in the online environment.

Responsibilities

- Inform and engage the campus community in strategic planning related to distance education
- Identify distance education strategic goals and create college distance education plan to improve online student learning.
- Ensure that college distance education plan and goals are based on data and analyses
- Support Laney College distance education classes to meet federal, state, and accreditation standards.
- Evaluate the effectiveness of the college's planning and resource allocation as it impacts Distance Education and make recommendations for changes
