

2019–20 Election Results

May 4, 2019

Quick fact about this year’s Faculty Senate election:

- The election ran from April 24 to May 2.
- Our District email system unfortunately quarantined the ballots, and I was unable to have District IT whitelist the ElectionBuddy domain name.
- 59 out of 404 faculty participated. That’s 15%; down from last year’s 19%, but the same as the year before.
- Several positions remain vacant (Business, Cosmetology, Liberal Arts, Music). they will be filled by appointment.
- The Kinesiology/Athletics position resulted in a tie. Unless one of the candidates steps down, we will have a runoff election.
- We have 4 or 5 first-time senators!

The results of the election are shown below. These are provisional until ratified by the senate. Winning candidates are boldfaced in the middle column; other candidates are in the third column.
