

President's Report

May 12, 2019

Senate Elections

Provisional results of the election are posted on the [Faculty Senate website](#). Since these results were made public, the tie for Kinesiology/Athletics was resolved: Jeff Haagenon will be senator. We will take care of the vacancies at the beginning of the fall semester.

What We Could Not Do in 24 Meetings This Year...

While we did set goals for the Faculty Senate at the beginning of the Fall 2018 semester, we never had time to check on our progress. Even with a last special meeting on May 14, we will not get to revisit our goals. This senate president is not comfortable waiting until September to do that, so we will address this item online. (What else are you going to do while you give your finals?)

Summer "Break"

If you're off for the summer, have some fun! Those of us who will be around for most of the summer will keep an eye on new developments (the Governor's May revision, FCMAT's first report in June, CBT's recommendations perhaps, etc.)

Next Meeting: September 3, 2019

Already on the agenda for our first meeting of 2019-20:

- Resolution from the Curriculum Committee
- Resolution from the Learning Assessment Committee
- First read of the Master Technology Plan
- Goals for 2019-20
- Finalizing the senate's membership

(The first three will be posted on the Faculty Senate website shortly in case you can't wait until September.)

Plus, whatever we don't have time to do on May 14 and who knows what else might come up? Phew!

Bonnes vacances !
