## 2023-2024 Federal Direct Loan Request for Continuing Loan Borrowers

The Peralta Community College District Financial Aid Department is dedicated to supporting student success, and continuing your education is a major investment in your future. A student loan is a long-term financial obligation **that must be repaid**. Typically, a student who invests in their education is making a good investment in their future. However, many students enter into debt without a clear picture of how it will ultimately affect them.
