Form #5 - Custom Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for the review process called “Verification”. In this process we compare your FAFSA with information on this worksheet and other required documents, such as your 2023 IRS tax information. If there are differences, the Financial Aid Office will make the necessary changes. The Financial Aid staff will not make any financial aid payments to you until all verification and required documentation have been submitted and the necessary corrections have been made under the financial aid regulations (34 CFR, part 668).
