

## Super quick version of finding your Program Outcome Mapping

- Make sure you choose Program from the Curriculum dropdown menu. Once you've done that, it will say "Programs" in orange at the top left.

The screenshot shows the curriQūnet interface. At the top, there's a navigation bar with 'Curriculum' and 'Approvals' tabs. A dropdown menu is open under 'Curriculum', showing options like 'Course', 'Program', 'Assessment', 'Program Review', 'Catalog', and 'New Catalog'. The 'Programs' label is highlighted in orange. Below the navigation bar, there are search filters for 'Organization', 'Award Type', 'Proposal Type', and 'Status'. A table lists programs with columns for Institution, Department, Award Type, Title, Type, Status, and Reports. The 'Active' program is highlighted in blue.

Institution	Department	Award Type	Title	Type	Status	Reports
LAN	L - Biology	LAN A.S. Degree	Science - LAN A.S. Degree	Laney Program Modification	Historical	
LAN	L - Biology	LAN A.S. Degree	Science - LAN A.S. Degree	Laney Program Modification	Historical	
LAN	L - Biology	LAN A.S. Degree	Science - LAN A.S. Degree	Laney Program Modification	Active

- The program you want may be on your own Programs page. If not, unclick "My Proposals" and use the dropdowns to search for the program you need.
- Make sure you are choosing the "Active" program. You can use the Status dropdown to search only for active programs.
- Click the paper icon under Reports and choose Program Mapping. These are the SLOs from your courses that you need to assess in order to assess your programs (degrees/certificates).
