Program Review
META Division / Department Hierarchy**

- When creating a Program Review proposal in META, the prompts will ask for Division and Department. Find your Department (or unit) in the column on the right to see the division you are in.
- Instructional and Instructional.CTE - **PLEASE NOTE:**
 - Clusters that have several departments with one person serving as department chair for all departments need only to create one proposal in one of your departments listed. Be sure to fill in the Program Review to reflect all departments in the cluster.

If you do not see your Division or Unit in the list, please email: Heather Sisneros hsisneros@peralta.edu
