College

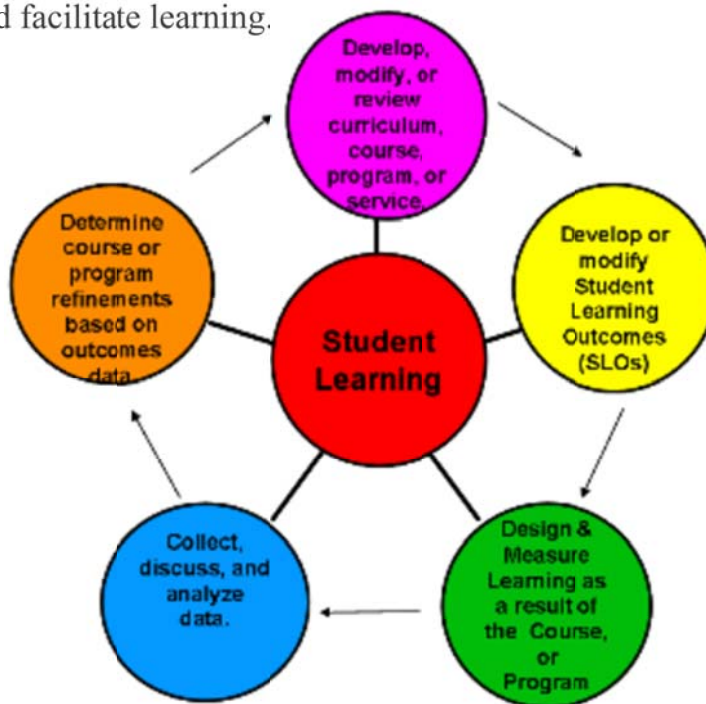

Assessment Hour

Continues . . .

Becoming a learner-centered college

A series of lunchtime professional development opportunities presented by the Learning Assessment Committee (LAC), with interactive experiences and collegial dialogue focused on improving how we teach and facilitate learning.

Tuesday, March 8, 2011

Christine Will, Laney Mathematics Faculty,
will be our guest presenter on Study Skills
(essential for student success):

- ***How to Incorporate Study Skills Into a Class***
- ***How to Design and Use Study Skills Assignments***

Come have **LUNCH** on us and practice using **strategies that will help your students succeed!**

Location: T-450 Faculty Lounge

Time: 12 noon to 1pm

See overside for coming Assessment Events!
