---

Dr. Frank Chong will be leaving and going to Barack Obama's administration.

Discussed multi purpose field scope, John Beam wants options.

Ilia Florentin has talked to Mondo and they are seeking the intrim venu of products, John Beam requested G talk to Field Turf.

Discussed offloading sour plus soil

Multi purpose field has been severely damaged.

John Beam still insists on subs that have quoted \$600K for Synthetic Turf

John Beam said his estimates have been right.

Gilbane has always been higher.

Provide alternate pricing in a spread sheet with options. We expect lower grading costs 20% and lower.

Ilia Florentin brought in a potential product for the synthetic turf.

Concerns over bounce of balls and water ponding.

Approval of 100% DD documents.

Same format as SDs.

Comments of DD docs not all responded to.

Ernesto expressed concern with water meter cost, EBMUD has quoted cost at \$20K.

Responses for Training Room controlled.

Color Boards – no decision yet.

Chevron has DSA approved fdn design for P.V.

Ernesto will see submit

Changing fence to 10' Mid mail is required

You may need more posts – will cost more

Adding fence connecting field

Fiberboard metal siding. Have already designed fiberboard, will change to metal design.

Reserved box rib cool white, will not require periodic represent. Metal siding, could be delayed a week or two.

Field House – lockers what they look like – cut sheets shown thus far are unacceptable.

Seave Board – who will install  
Multi purpose field – cost of lighting  
5 feet candles – show layout
