Local Approval of Credit Courses

HANDOUT 3

Examples of credit stand-alone courses that were denied when submitted to the System Office for approval when submission was required prior to fall 2007.

Denied Course	Reason
Chemistry course for nursing students in CSU Chico	Mission – Inappropriate population. A program
nursing program	or course must be directed at the appropriate level
	for community colleges; it must not be directed
	either at a level beyond the associate degree or the
	first two years of college.
	Compliance – Violates open course regulations.
Course designed to provide counseling services (without	Quality - Outlines of Record for each course must
reading, writing, body of knowledge, or instructional outcomes)	meet all the requirements of Title 5.
	Mission - A course must provide distinct
	instructional content and specific instructional
	objectives. It must not provide only an activity or
	service, without instructional content (e.g., assistive
	or therapeutic activity, use of college facilities or
	resources without specific instructional objectives,
	or assessment testing).
Course designed and scheduled to provide testing activity	Quality - Outlines of Record for each course must
(e.g. time spent taking test for national paramedic registry)	meet all the requirements of Title 5.
	Mission - No distinct instructional content and
	specific instructional objectives.
Course designed as in-service training for faculty (usually	Mission – Inappropriate population.
pedagogy, but in one case training for computer faculty in	
how to teach Cisco academy)	
Course designed to circumvent limitation on four	Compliance – Violates course repeatability
semesters for a given activity, such as Physical Fitness	regulations
Course consists only of taking a learning disability	Quality - Outlines of Record for each course must
