LANEY COLLEGE'S EDUCATIONAL AGENDA:
USING OUR RESOURCES TO MEET THE NEEDS OF OUR STUDENTS

Faculty, Students and Staff

You are invited to join one of the two Town-Hall Meetings scheduled this semester with the Laney College President, Dr. Elnora Webb. There will be one scheduled during the day, and another during the evening.

The purpose of the Town-Halls will be to discuss the following:

- ⇒ Laney's Educational Agenda*
- ⇒ Using our available resources to meet the needs of Laney students*

Please send your questions in advance to Maisha Jameson in the President's Office (mjameson@peralta.edu) so that we may optimize the use of the limited time by being best prepared with key information.

Come prepared to share your concerns and suggestions for moving Laney forward, together, positively and effectively in order to strengthen student success & our educational services to students!
