V. ASLC OFFICERS AND COMMITTEE REPORTS:

JMS: Professional Development Committee - Discussed Flex Day Event and would like suggestions. Trying to figure out what is important to students and how faculty can help students in the classroom. Some suggestions have been mental health and housing. Flex day is a day, there are two every semester for faculty and administration. There is no class on Flex Day and all the people that work at the college learn something new. It is a learning day for staff. Suggestions about what they need to learn.

CZ: Suggests more student panelists. More information on hybrid classes. Suggests an event that focuses on hybrid classes.

NV: Interclub Council Update - Two clubs have been planning events that are outside of Laney. Mental health and leadership clubs to do hiking events. Leadership club does not have enough students so they held a recruitment event outside of Laney. The event showed good school spirit.

Please remind clubs to fill the form out. Will be emailing Learning communities to see if they would like to participate. Event will be March 22, 12pm-2pm in the quad. ASLC should have a table and bring drinks. Drink suggestions: Boba Tea, Lemonade, Water. Reminder email will be sent to get LC on board. Black Student Union and Speech and Leadership club have signed up.

B. Hackathon Event: Discussion on catering options. (Information/Action/15-20 minutes allocated time/ASLC discussion).

CZ: Finish up catering. Would like to order pizza from Zachary's Pizza. Needs a quote, then the proposal packet needs to be submitted and approved by ASLC. Need to figure out the amount of pizza. Event is on April 15-16. B.E.S.T. Center to host the event.
