C) Speaker in the Laney College Discussion Forum (10m)

Good morning, Camila,

Thank you for the opportunity to speak with you and your group last night!

It sounds like hosting a forum on the topic of Student Mental Health would be a great fit, based on what we discussed yesterday. Ideally some time on March 7th, 2024. And I can provide photos, marketing materials, etc. for your group to promote the event. Please let me know if the \$500 was agreeable to your group after you discussed things?

Additionally, if there are other departments at your college, or other staff/faculty that you could connect me with as another possible event for Dr. Vermani to speak to, I would greatly appreciate that as well.

Thank you and I will await your response.

Thanks!

D) Sponsoring a Restorative Justice & Conflict Resolution Training (10m)

Vicki Assequed has reached out to me and wants to see if ASLC is interested in [sponsoring a Restorative Justice & Conflict Resolution Training](#).

If you are interested in learning more, perhaps she can be present at an ASLC meeting and answer any questions that you may have.

As a start, the training can be open to ASLC, the learning communities. Or it can be open to students in general, however, I am not sure what her capacity is. Inviting learning communities could be a great way to get this messaging and practice integrated further into the campus community.

I do know that there are times when students approach me about other students, and they are not sure how to self-advocate or express themselves when there are power dynamics or social dynamics at play.

I do not have the budget to fund this per se, so I hope that ASLC will at least consider what this could be.

Please let me know if you all are interested in having Vicki attend an ASLC meeting, she is open to the type of format that you all would want and can offer ideas but really shape the training to meet your needs/desires.

Perhaps she can come on November 20th, if so.

E) ASLC graduation (Opal Chan) (10m)

F) Diwali Project Proposal (10m)
