## Careers in Psychology & CIIS BA Degree Completion Program Info Session

Monday May 14, 2012 12-1pm at Laney College Room F-170A

- Do you wonder why people do what we do?
- Do you find yourself always the one who is listening to others? Or trying to help people?
- Are you the one who sits in the corner and watch all the social interactions of others?
- Are you curious about why and how the brain works?
- Do you find yourself curious about psychology but also wanting to critique it?

Then maybe psychology is a career choice for you. This workshop offers an overview of the different types of subjects within it - examining such diverse disciplines as Critical Psychology, Community Psychology and Counseling Psychology and will give you a broad vision of the field and the varied career options available.

**RSVP at the Laney College Transfer  
Center or call (510) 464-3135**
