

# Is your goal to transfer to a four year college or graduate program?

## Come talk to four Peralta students who have.

**This Friday, October 25 at 5:15pm  
Room A239, Laney College**

Join **Peralta Engineering Medicine and Science** club for a moderated discussion with recent Peralta graduates who have successfully navigated the transfer or graduate application process.

### Take your goals from theory to reality.

#### Panelists:

**Gabriel Desourdy** - Navy veteran, father, and Laney graduate, majoring in Chemical Engineering at U.C. Berkeley

**Nancy Pham**- UCLA graduate who completed her prerequisites at Laney and is currently a Masters of Public Health graduate student at the U.C. Berkeley and applying to nursing programs.

**Frank Allison** - Laney Valedictorian in Spring 2013 and majoring in Mechanical Engineering at U.C. Berkeley.

**Clay Fischer**- Laney Graduate and contributing member of the Merritt College Genomics Lab, currently majoring in Biology at UC Santa Cruz.

Please submit questions before the discussion to [mstavis@peralta.edu](mailto:mstavis@peralta.edu)
