Laney Facilities & Technology Updates

Working Together to Support Our Students & The Campus Community

CTE Face-to-Face Labs Began 9/14

We're working with The Cohen Group (industrial hygienist) to review protocols, lab spaces and ventilation to help ensure that students, staff and faculty have a safe learning environment.

Laney Library LRC

The architects will be submitting the construction package to the Department of State Architects in November. The project will likely be in the bidding phase by August 2021 with construction beginning in spring 2022.

Title IX Locker Room Project

We expect to have a contractor selected for the locker room by December. The current timeline plans for an early construction start in June 2021 and construction completion by December 2022. Temporary locker rooms and showers will be located on the tennis courts along with the relocated Eagle Village.

Central Utility Plant

Finally, a resolution to the heating and cooling problems on campus! Since the cooling tower needs to be relocated before Library LRC project begins; the project was expanded to include the boilers and chillers. While the entire project won't be complete until 2023, contractors will begin the repairs / replacements on the chillers and boilers in November which will provide much needed relief.

BEST Center

Plans for a fence around the BEST Center are underway along with the replacement of the broken windows.

Work orders

Work requests can be by emailing the Laney Business Office at lbusinessoffice@peralta.edu or texting 510-599-9411.

Facilities Planning Committee Meetings

The Facilities Planning Committee meets the 1st Monday of the month during the fall and spring semesters and meetings are open to everyone. [Click here](#) to learn more.

Tech Tuesdays

The next Tech Tuesday session will be on 10/13/2020 from 11 am -12 noon. The topic will cover **Excel basics**, tips and tricks. You are encouraged to bring your questions! [Click here](#) to access the Zoom link.

Laney IT Continues to Support!

Laney IT continues to provide remote and limited scheduled on-site support. If you have any tech needs, please email laneyhelpdesk@peralta.edu

Chromebook Lending Program Continues

Students may pick up a Chromebook on Wednesdays between 10 am -12 noon from Tower Lobby. [Click here](#) to learn more about this program.

Faculty Resources

A virtual faculty campus web page with many helpful resources has been created. [Click here](#) to check it out!

CBT Technology Master Plan Town Hall

Laney College will be hosting a virtual technology master plan town hall listening session on October 15th. Please make every effort to join and share your input and perspectives on technology related initiatives at Laney. It will take all of us to set the future path as it pertains to our digital transformation.

Date: Thursday, October 15th
Time: 12:30 – 1:30PM
[Zoom Link](#)
Meeting ID: 921 3592 2505

Technology Planning Committee Meetings

The Technology Planning Committee meets via [Zoom](#) on the second Thursday of every month. Everyone is welcome to attend!
